

Declaration of Conformity

We declare that:

Filter housings, Disposable Filter Elements and Disposable In-Line Filters and Adsorbers

Are in compliance with:

The EU Directive RoHS (2011/65/EU and 2015/863/EU after 22nd July 2019)

The ROHS Directive restricts the use of lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBBs) and polybrominated diphenyl ethers (PBDEs).bis (2-ethylhexyl) phthalate (DEHP), butyl benzyl phthalate (BBP), dibutyl phthalate (DBP) and diisobutyl phthalate (DIBP)

We confirm that none of the products supplied by Headline Filters contain any of the listed substances above the limits specified in the Directive.

Lead is present as a natural impurity within the borosilicate glass of our disposable filter elements at a level of less than 0.01%. Lead is also present as an alloying element within the material of our brass Filter Housings; again, the level is within the permitted limits of the Directive for a copper-based alloy
